

School Community Council Meeting Minutes  
December 18, 2008

In Attendance:

Paula Fugal	Karen Wathen	Brenda Holtom Beth
Chynoweth	Shelly May	Annette Kindt
Diane Sipos	Michelle Bagley	Shauna Stout
Michelle Johnston	Amber Hunsaker	Shonte Williams

**SCC President Brenda Holtom** welcomed the members and visitors to the meeting.

**Principal Paula Fugal** thanked all those in attendance.

**Assistant Principal Karen Wathen** went over our MRJH Results Cycle. Brenda Holtom and Michelle Bagley, who were also present at the MRJH faculty meeting which went over the Results Cycle information, reported that they were pleased and impressed with how our teachers are meeting the needs of our students.

**Principal Paula Fugal** added her insight and information regarding MRJH's process for student interventions. She and many of our MRJH teachers have toured some of the other schools within our district in order to find out what they are doing to successfully handle student interventions. We are now focusing on Tier 2 intervention, the second level of student intervention, and the next step in successfully helping students we have identified as needing some type of intervention assistance. She anticipates having a more detailed report on MRJH's student intervention plans and policies, as well as statistical data, available for SCC review by the end of the school year.

**SCC Member Susan McGhie** was slated to speak today on the subject of Asthma, but was unable to make it to the meeting due to inclement weather. Her discussion will be temporarily tabled, and she will be added to the agenda for next month's meeting.

**Principal Paula Fugal** thanked each SCC member and visitor for their attendance and participation. The meeting was adjourned at approximately 2:15 pm until the next SCC meeting on Thursday, January 29, 2009 at 1:30 pm in the Mountain Ridge Junior High Media Center.
